INSTRUCTIONS/POLICY INFORMATION

BEVERAGE SERVER TRAINING COURSE

Wisconsin State Statute provides that applicants for operator's licenses must complete a responsible beverage server training course in order to receive a license. Applicants are exempt from the training course requirement if they renew an existing operator's license, completed the training course within the last two years, or held a retail license, manager's or operator's license within the last two years.

The Village of Twin Lakes issues operator's (bartender's) licenses for a period of two years. The fee for this license is $50.00. A provisional license, if required, is an additional $15.00. License period is: July 1, through June 30.
FEE IS NON-REFUNDABLE, IF LICENSE IS DENIED.

NEW APPLICANTS

The following procedure will be followed for new applicants:

1. The applicant submits an operator's (bartender's) license application, shows proof of enrollment in a Beverage Server Training course and pays the required fee.
2. UPON APPROVAL BY THE POLICE CHIEF the applicant is issued a provisional license for a period of 60 days or until schooling is completed. The Village will revoke license, if applicant fails to successfully complete the required course.
3. The applicant's license application is then approved at the next Board meeting subject to schooling requirements. PROOF OF SUCCESSFUL COMPLETION OF THE COURSE IS REQUIRED TO RECEIVE REGULAR LICENSE. Clerk/Treasurer will then issue permanent license for the remainder of the two year period.
4. If the applicant has not completed the course in 60 days, the provisional license will expire. Police checks can be made after 60 days and violations noted and penalties assessed. Only three provisional licenses can be issued to an applicant in one year at same charge for each issue as when originally applied.

While the following Responsible Beverage Server training courses have been approved for certification in the state, the Wisconsin Department of Revenue does not endorse nor administer any of these programs. Any issues you have concerning registration, student certification, fees, certificates, etc., must be directed to the individual vendor for resolution.
