2. The Clerk shall request the Motor Vehicle Department to suspend registration of the motor vehicle involved in said Citation, or refuse registration of any vehicle owned by the person cited for such nonmoving violation, or both, upon the direction of the Court.

3. *a.*Prior to notifying the Motor Vehicle Department of nonpayment of fine or forfeiture, the Clerk shall mail a notice to the person on two (2) separate days at least one (1) week apart to the last known address of the person to whom the Citation was issued, which notice shall include the date the Citation was issued, the license number of the vehicle involved, the place the Citation may be paid, means by which the Citation may be contested, and the date by which the person must pay or contest the Citation to avoid further action. The notice shall also inform the person of the fact that failure to appear or to pay the forfeiture may result in a warrant being issued or Motor Vehicle Department being notified and a request made to suspend the registration or refuse to register any vehicle owned by the person cited.

b. In the event that the court shall issue a warrant for nonappearance or nonpayment of a nonmoving violation, the procedure set forth in Section 345.28(5), Wisconsin Statutes, shall apply.
