NOW, THEREFORE, the President and the Trustees of the VILLAGE OF TWIN LAKES, Kenosha County, Wisconsin, do herewith ordain as follows, to wit:

SECTION I

The foregoing clauses are incorporated herein as if specifically restated and are hereby included as part of the findings of this ordinance.

Boundaries of these Districts are established as shown on the maps entitled "Village of Twin Lakes Wisconsin Zoning Map," dated July 25, 2005 and revised through December 20, 2010, and "Supplementary Floodland Zoning Map - Village of Twin Lakes, Wisconsin," dated May 3, 1982, as these maps may be amended from time to time pursuant to this Code, both maps which accompany and are herewith made a part of this title. Such boundaries shall be construed to follow: corporate limits; U.S. Public Land Survey lines; lot or property lines; center lines of streets, highways, alleys, easements, and railroad rights-of-way or such lines extended; unless otherwise noted on the District Zoning Map. The boundaries of the Floodway District shall be determined by use of the scale contained on the Supplementary Floodland Zoning Map. The boundaries of the Floodplain Conservancy and the Floodplain Fringe Overlay Districts shall be determined by the floodland limits shown on the Supplementary Floodland Zoning Map. The flood stages, under floodway conditions, contained on the Supplementary Floodland Zoning Map were developed from technical data contained in the Flood Insurance Study - Village of Twin Lakes, Kenosha County, Wisconsin, published by the Federal Emergency Management Agency (FEMA) and dated December 1, 1981. The information contained in the flood insurance study is further illustrated in FEMA Floodway and Flood Boundary Map and Flood Insurance Rate Map, both maps dated June 1, 1982. Where a conflict exists between the floodland limits as shown on the Supplementary Floodland Zoning Map and actual field conditions, the elevations from the one hundred year recurrence interval flood profile under floodway conditions shall be the governing factor in locating the regulatory floodland limits.

SECTION IV

All ordinances or parts of ordinances contravening the terms and conditions of this ordinance are hereby to that extent repealed.

SECTION V

This ordinance shall take effect upon passage as provided by law.
