Village Administrator Jennifer Frederick reviewed the draft budget proposal with the Village Board. The Village Board heard comments from Pat Mirocha (Twin Lakes Senior Citizens), Sharon Pomaville (Sharing Center), Marilyn Trongeau (Twin Lakes Chamber), Paul Martinez (American Legion) regarding 2017 donation requests. The Village Board agreed to maintain the 2016 levels of funding in the 2017 budget.

The Village Board discussed mosquito spraying and decided to discontinue the service. Frederick stated that the complaint at the Board meeting was reported in the newspaper, and several homeowners called in requesting “opt outs” of the service. She questioned whether or not the Village wanted to continue offering the service at \$4,500 per year. Trustee Karow noted that private companies offer this service to residents.

The Village Board discussed and decided to fund park facility maintenance and park programming in an effort to improve Village parks.
