

PUBLIC NOTICE
IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
Reporting Requirements Not Met for THE SAND BAR

We are required to notify the state of completion of state approved start-up procedures. Our system failed to notify the state in writing of the completed start-up procedure. This is a violation of State and Federal drinking water rules.

What precautions should be taken at this time?

There are no special precautions you need to take at this time. You do not need to boil your water or take other corrective actions. You may continue to drink the water. If a situation arises where the water is no longer safe to drink, you will be notified within 24 hours.

What is being done to correct the problem?

When will the problem be resolved?

If you have questions regarding the safety of our drinking water, please contact:
